

New APTF Teaching Reduction

The College has committed from, Michaelmas Term 2025, to offer newly-appointed Tutorial Fellows a 25% teaching reduction across two years.

This teaching reduction may not be taken in addition to any other teaching reduction or buy-out offered by the Department/Faculty or a funder.

New Tutorial Fellows should discuss their proposed teaching and teaching reduction with the Academic Director and any subject colleagues in the College at least three months before they wish the reduction to commence. The reduction can be spread across the academic year or concentrated into particular terms. The new APTF will need to be involved in discussions regarding replacement teaching.
