

Welfare Provision

TRINITY TERM 2025

Welfare at Jesus College

Oxford is a wonderful place, rich in opportunities to fulfil your potential. However, it is not unusual for some welfare needs to arise during a student's time here.

Many students find that their tutor, supervisor or college advisor is a good first point of contact when in difficulty. However, sometimes it can be helpful to speak to someone who is not directly involved with your studies. We have a dedicated Welfare Team in college to support all aspects of your health and wellbeing to help you reach your academic potential, navigate any problems you encounter in the most helpful ways and make the most of your time at Oxford. For further info please visit the College intranet: <https://jesuscollegeintranet.web.ox.ac.uk/welfare>
