

JCR/MCR PUNT SCHEME TRINITY TERM 2024

JCR Punt Scheme (Term Time) 3 Punts Available

From 23/04/24 to 17/06/24 - the JCR will run a punt hire scheme for both JCR and MCR members to use. **Three punts** will be available during these dates.

MCR Punt Scheme (Summer Vacation) 1 Punt available

From 26/06/23 to 30/09/23 - the MCR will run their own separate scheme, and only **one punt** will be available during this period. **Fellows or staff who wish to use more than one punt must pay for additional punts with the operator.**

Honorary or associate members of the MCR may also book a punt during the above dates. The MCR will provide a list of eligible members. Some of these members cannot access the intranet, so their booking request will be made to the Lodge by email.

Punts operate from Magdalen Bridge and are available between **9:30 am and 9:00 pm (or 1 hour before sunset)**. The punts can hold five people (including the punter).

Additionally, any member of staff, Fellow, or Lecturer may book a punt if they have paid a one-off payment of £15 to the Lodge. Please remember that from week 10, only one punt will be available.

General booking process:

- All Punts should be booked via the college intranet.
<https://intranet.jesus.ox.ac.uk/punt-booking>
- A request email is then sent to the Lodge, and the booking (if available), is entered on Kinetics.
- The Lodge sends a confirmation email to the requester.
- Punt slips can be collected from the Lodge on the production of a valid Bod card or other suitable ID.

Please note - Fellows, Lecturers, Alumni, and staff members who do not contribute to the scheme are not eligible to book college punts.
